Writing section

Write a paragraph about your experience at primary school. How did school use to be at that time? Did you use to like it?

Refer to teachers, subjects, the library, the uniform or anything you would like to refer to.

Include one of the following:

Think about a picture you have from primary school. What were you doing when the picture was taken?

Think about a typical day. What were you doing when the doorbell rang?

Write at least 100 words
