USE OF ENGLISH Think of a word to complete each gap.

The Quarrel

About a year ago I had a bad quarrel with my father. (1) then we have hardly spoken to each other. I would apologise (2) I felt that the quarrel was my fault. But I don't think it was. It all began when he criticised the man I was going out with so I told him he (3) no right to interfere in my personal life. This made him very angry. A few months after the quarrel, I discovered my boyfriend was having an affair with another woman and we broke (4) . But I still haven't told my father what happened. I phoned him recently to wish him a happy birthday, (5) . He sounded very cool and I didn't feel (6) continuing the conversation.

Anyway, I need a new car as my old one has broken down and can't be repaired. But I am rather short (7) money. I know my father (8) lend me if I asked him, but I don't want him to think this is the only reason I have contacted him again. (9) , if he finds out that I have borrowed the money from a bank before asking him, he will probably never forgive me. Life must go on, (10) the events I have lived through.
