Making my clothes

I started making some of my own clothes last year and I'm really enjoying it. It was my mum (1) first got me interested in learning to sew because she makes a lot of her own things. I started off by designing something quite simple – a T-shirt. It wasn't as easy (2) I thought it would be, and it took me quite a long time. I was pleased (3) the finished product, though, and I enjoyed sewing it. I liked it so much, (4) fact, that I decided to study how to make clothes at college. I signed (5) for a course earlier this year and started in July. So far on the course, I've learned all about making trousers and skirts and we're going to start looking

at shirts quite soon. It's great, and I've saved loads (6) money, as I've bought fewer clothes.

Greetings from Cornwall, in sunny south-west England! This is my favourite place 27 a holiday. I've stayed in the same village every year since I was a baby, and I always look forward to coming back.

Cornwall is very beautiful and there are a lot of things to do. 28 you like walking, you can explore the coast or the wild moorland. Surfing is popular here. It's often 29 windy that the waves are 30 than two metres high.

The food in Cornwall is amazing. The 31 famous example of Cornish food is the cream tea. That's fresh scones served 32 jam and Cornish cream. It's really delicious. If you ever visit, you must try the fish and chips, too!

See you soon!

Mike
