

“BIUTYFUL”

by Cold Play

All I (1) **see** / **know** is I love you so
I hope that you get everything you (2) **want** / **love** in this biutyful life
Change for your pocket, someone for the night
I hope they name you a (3) **shuttle** / **rocket** and take you for a ride for free

And if they tell you you're nothing, maybe you'd explain
To me you're the summer sun after the (4) **wind** / **rain**
And you were there when I needed
Something for the pain, you (5) **see** / **understand**

When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
I'm (6) **nowhere** / **somewhere** else
I'm on top of the (7) **world** / **planet**, man
On top of the (8) **world** / **planet**
And it's so biutyful
And you're so biutyful

I hope that you get everything you (9) **love** / **want** in this biutyful life
Watermelon moon, so happy you're alive
And I feel like a (10) **river** / **fish** finally arrived at sea

chorus

'Cause when you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me

I know I'll be on top of the (11) **world** / **planet**, man
On top of the (12) **world** / **planet**
And it's so biutyful
And you're so biutyful
And it's so biutyful
And you're so biutyful
And it's so biutyful
