NAME: _____ DATE: _____

Hey! What's that Baby's Average?

A bunch of babies went to Baby School. In school, they had 4 Baby Subjects. They got got a grade in each subject. But the babies wanted to know their "average" grade too!

Please help the babies find their averages!

BABY A

What's this baby's average mark?

BABY B

What's this baby's average mark?

BABY C

What's this baby's average mark?

Which baby got the highest mark? (Gold Medal)

Which baby got the highest mark? (Silver Medal)

Which baby got the highest mark? (Bronze Medal)
