## *Pretty Little Liars*

*Pretty Little Liars* is a <sup>1</sup>..... TV drama programme about four best friends – Spencer, Hanna, Aria and Emily. Many <sup>2</sup>..... people have enjoyed watching it since it started in 2010.

In the first episode, the girls' friend, Alison, <sup>3</sup>..... dies, but her friends don't know how.

After Alison dies, the girls frequently receive strange messages from "A". Sometimes these unusual messages are <sup>4</sup>..... and the secret writer knows all about the girls.

The friends are worried and they try to solve the mystery. Sometimes *Pretty Little Liars* is <sup>5</sup>..... scary and then I'm too <sup>6</sup>..... to watch it on my own. But I think it's a fantastic TV programme.
