## David's Dream

David often had dreams about adventures in dangerous places. Last Sunday night, he had a really fantastic dream.

He was climbing a mountain. He was so high, there were clouds below him. Above him, he saw an eagle's nest in a hole in the rock. There were two white eggs inside. David didn't touch them, but when his right hand was near to the nest, an eagle appeared. Its wings were enormous. That was scary!

Then David saw the entrance to a really deep, dark cave. He moved carefully and quietly past it but then a huge brown bear jumped out and made a frightening noise. David hurried up the mountain. That bear had big teeth and very strong legs.

When David got to the top of the mountain, he saw some grass and lay down on it. He was really tired and was soon asleep. Then he heard someone say, 'Wake up, David. Wake up!'

David opened his eyes and saw his mother.

'I had another amazing dream about a mountain, Mum,' he said.

'That's strange!' David's mother answered. 'Because it's the first day of your summer holidays today and we're going to do something very special.'

'What?' asked David.

'We're going to go on a trip!'

'Where to?' asked David.

'The mountains! Dad says we might see an eagle!'

'And a bear?' David laughed.
