

My first job!

Chỉ điền A, B hoặc C

I've just got my first job as a hairdresser! To apply for jobs, you have (25) a qualification - I got mine last month. The job is fun but also tiring. I stand most of the day and (26) only sit down for a few minutes at break times.

Our customers are very important. There's a sign in our staff room: 'EMPLOYEES (27) EVER BE RUDE TO CUSTOMERS.' It's a rule! Another rule is that we need to look nice, but we can choose our own clothes. I'm glad that we (28) wear boring work clothes.

Although this (29) be my perfect job, I'm happy for now. It's a great place to work so I'm confident (30) be a good start to my career. I need this experience, so I've decided that I (31) change jobs for at least a year.

(32) be a safe career for the future? I think so - a computer can't cut your hair ... at least, not yet! But it might be possible in the future!
