

Listening & Speaking

A.-Read the conversation and complete with the words in the box.

(Taken from Sky-high Student's book 1 pg. 26)

London an ecosystems
common do you university

Boy: Excuse me. Is this seat taken?

Woman: No, go ahead.

Boy: Thanks. You're at the ecology conference, right?
What _____ do?

Woman: I'm _____ urban ecologist. I work in a research
Institute.

Boy: An urban ecologist – that means you study the _____
of cities.

Woman: That's right! I live in New York. It's an enormous city, but it has
lots of flora and fauna.

Boy: A fox visits our garden in _____

Woman: Really? Foxes are _____ in New York too, and raccoons.

Boy: My mother works in a _____. She teaches and she
studies Insects. She's at the conference too.

Woman: Oh, really?

B. - Listen and check your answers. (Track1)
