

Now listen carefully, everybody. Here is some excellent news  
Next Thursday a most interesting visitor IS going to come to talk  
to US. He IS the astronaut Dr Robert Teale, that's T E A L E I'm  
sure a lot of you have heard of him He's very famous for his  
journeys into space.

He's going to talk to us about space travel. Only he can tell us just  
what It's like to travel round the earth in a spaceship, past the  
moon and the stars.

The whole school IS going to listen to Dr Teale We will use the  
school hall because none of the classrooms will be big enough  
Classes will finish at twenty past two on Thursday because the  
talk will start at half past. Don't be late.

If your parents would like to hear Dr Teale. we have a few extra  
seats. The ticket price for them will be three pounds eighty-five,  
but of course for students It IS free.
