

READING 1

Match the four texts on the left with the texts in the box. Shade in the bubble under the correct option.

1. Going out with my friends is one of my favourite activities.

2. I was lucky to take part in the writing competition in my school.

3. We spend a lot of money when we travel to other countries.

4. The planets in our system are different in size.

A. For example, we have to pay for the tickets, hotels, transport, food and shopping.

B. For example, Mars, Venus, Mercury and Earth are the smallest. But Jupiter is the biggest one among them.

C. She wrote many interesting stories and published many books of poetry.

D. Every weekend, we usually go to one of the shopping malls to wonder round and see what's on sale.

E. I always stay home, help my mother, listen to music and do my homework.

F. It helped me produce better essays through organizing my ideas using the writing route.

With my best wishes Mr/Alaa Rabia
