

## READING 1

Match the four texts on the left with the texts in the box. Shade in the bubble under the correct option.

1. Watching television is very useful to learn many things about the world.
2. Why are you so late? I waited here for one hour!
3. Satellites are very useful man-made objects. They have become part of our lives.
4. Many teenagers like meeting new friends and using new technology

- A. Growing more trees certainly will help us to reduce global warming.
- B. They help us to watch television, to communicate, to study the earth's surface, and in many other ways.
- C. I'm very sorry. I'll be on time hereafter.
- D. They help us in visiting places. Many people like using them.
- E. But ,children watch too much and they don't do a lot of other things that are important for their education.
- F. So, they like hanging out in their cars. They use expensive mobile phones to communicate with their friends.
