I don't know

Hi! I'm Joe and I'm from New York, but now I'm in London with my mum and dad. My mum's Roberts and my dad's Patrick.

Baseball is my favourite sport. My team is the New York Yankees. This is my Yankees baseball cap - it's really cool!

My best friend

This is a picture of my friends.

This is my home in Perry Street, Brooklyn.

This is my new school in London. It's Hollyfield Secondary School. Is it a nice school? I don't know!

This is Candy, my dog. She's in New York, with my granddad and I'm in London. 😞
