HANSEL AND GRETEL

Gretel rescued Hansel and the two children filled their pockets with all the witch's jewels. Finally, they managed to find their way back home and gave all the jewels to their mother and father.

Thanks to the clever children, the woodcutter and his family were never poor or hungry ever again!

1-What did Gretel do?

2-What did the children fill their pocket with?

3-Who did the children give the jewels to?
