### A friend from another planet

One night, Betty went to the kitchen to get a glass of water. But while she was looking out the window, she saw a strong light in the garden. She walked outside and could hear someone whistling. She was a little frightened, so she shouted, 'Who's there?'

Then, a strange silver creature climbed down a tree! It had three legs and two large purple eyes with pink stripes. When it got near, Betty saw that it was made of metal. 'It's an alien!' she thought.

'Can you understand me? My name's Betty,' she said. 'Yes, I understand every language on Earth. You can call me Harry,' the alien said.

Harry was hungry so Betty took him into the kitchen and gave him some chocolate biscuits. 'I've had a very long journey from my planet,' Harry said. 'Now, I want to learn about Earth!'

The next day, Betty took Harry to her school. 'This is my friend from London,' she said to her classmates. 'He loves dressing up in strange costumes!' Everyone believed her, so Harry came to school with Betty for two weeks!
