Dan and Cyril look at the food from other countries. There's sushi from Japan. Dan tries it, but he doesn't like raw fish. Cyril says that in France, when children don't like something, they don't have to eat it all, but they have to taste it seven times... then they always like it!

The Mexican food is interesting. Dan tries the tacos. There's some chilli in them and they're spicy. Insects are also a popular food in Mexico. There are some locusts. Dan thinks they're horrible, but Cyril tries one.

Hi, Dan! How was the food fair? 19:35

It was amazing! I was on the British stand and we cooked shepherd's pie. Granny, we used your recipe and everyone loved it! 19:46 ✓

Oh, that's good! Did you try any new food? 19:46

Yes, I did! I tried eating insects! They're popular in Mexico. Here's a photo of the fried locust dish. 19:47 ✓

Urggh, that's horrible! 19:48

I'm joking. I didn't really eat it! 😂 19:48 ✓
