Dear sir,

My name is Heru Wibisono. My friends call me Wibi for short. I am now 20 years old and healthy. I live at 432 Fenwick St., Elton Park, Georgia 30549. I come from Indonesia. I was born on March 21, 2000 in Bantul, Indonesia. I have three sisters and no brother. I am currently a student of St. Bernard College. I am a medical school student. My major is gynecology. I am in my fourth year now. My hobbies are writing and reading poetry, and doing yoga. I also love to go hiking and mount biking in my spare time.

I want to join the club because I am true lover of poetry and I find it relaxing to express myself in poems. My phone number is (706)454667.

Thank you very much for your deares attention.

Respectfully yours.

Heru Wibisono
