

SOUTH AFRICA

South Africa is a beautiful country located in the south of Africa, being in fact **the southernmost country of Africa**.

It's got **three capital cities**: Pretoria, Cape Town and Bloemfontein. Its population is 58 million people and their official language is **Afrikaans** although there are a total of 11 official languages.

Kuruman has a generally **temperate climate**, due in part to being surrounded by the **Atlantic and Indian Oceans** on three sides.

South Africa has an **area of 1.2 million square kilometers** where we can find the "kruger park" which is one of the most important natural parks in the world.

South Africa's history in the country has been very important and difficult due to racist problems against black africans.
