Jessica's blog

My name's Jessica and this is my blog!
Yesterday was so cool! The vlogger, Harry Langdon, was in my favorite store – Modern Look. Do you know him?
I watch Harry's vlog every day. He gives teenagers lots of tips about fashion and hair. He's great. His green eyes are beautiful and he has short, black hair. It's really cool. He has some fantastic tips. For example, I'm very short and I wear glasses. I had curly hair for ages, but now it's long and straight. It looks great! It was Harry's idea for short people with my look.
I love it! My friend Scott likes Harry's tips about clothes. Harry is Scott's fashion hero. Scott watches Harry's vlog every week and buys similar clothes to Harry.
I was in Modern Look yesterday with Scott. We were in the line and there was a young man with beautiful green eyes and black hair next to us. He had a new T-shirt in his hand – it was black and it had a picture of a bike on it. We weren't sure it was Harry at the time. Harry's always really fashionable in his videos, but this man's jeans and jacket were very old. It was windy and cold outside, so his hair wasn't tidy! Harry usually looks really cool, but this man wasn't cool! Also, famous people don't go to Modern Look; they buy expensive clothes from expensive stores!
But now we know it was him! How do we know?
Last night, we were on the Internet and there was a new video from Harry. This vlog was about cool T-shirts and he had a new black T-shirt from Modern Look ... with a bike on it! It's very cheap – it only costs $5! I'm going shopping again with Scott tomorrow afternoon ... He wants the T-shirt, too.
Bye!
Jessica
