NELSON MANDELA

Rolihlahla Mandela was born into the Madiba clan in the village of Mvezo, in the Eastern Cape, on 18 July 1918.

He attended primary school in Qunu where his teacher, Miss Mdingane, gave him the name Nelson, in accordance with the custom of giving all schoolchildren "Christian" names.

Nelson Mandela was imprisoned during 27 years, for his political ideas, in a very small cell . During that time Mandela developed his ideas about peace and brotherhood. He was freed in 1985.

Nelson Mandela was given "The Novel Peace Prize" in 1993 for his achievements about human rights. His fight against racism inspired the rest of the world.

Nelson Mandela died the 5 of December 2013 due to lung problems at the age of 95 years.

Some movies and stories were created to talk about his human right achievements.
