Comparative adjectives

What are the comparative adjectives?

Comparative adjectives are adjectives used to compare two people or things. We use them to say that one person or object has a higher degree of a quality than the other.

Examples: taller, smaller, smarter, brighter, cheaper.

How are they formed?

Depending on the number of syllables that the adjective has:

One-syllable words:

We add "er" or "r" at the end of the adjective and "than" after.

- ✦ Tall → Taller
- ✦ Safe → Safer
- ✦ Big → Bigger
- ✦ Old → Older
- ✦ Cheap → Cheaper
- ✦ Cold → Colder

Two or more-syllable words:

We add "more" before the adjective and "than" after.

- ✦ Expensive → More expensive
- ✦ Dangerous → More dangerous
- ✦ Terrible → More terrible
