

# Weather in songs

All the leaves  are brown (all the leaves are brown)

And the sky is gray (and the sky is gray) 

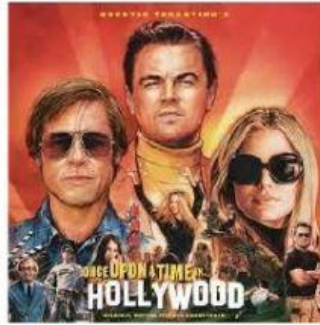

I've been 1 (**WALKING/ FOR A WALK**)

On a winter's day (on a winter's day)  
I'd be safe and 2 (**HOT / WARM / COLD**)

If I was in L.A. (if I was in L.A.)

California dreamin' (California dreamin')  
On such a winter's day

Someone told me 3 (**TIME AGO/ LONG AGO**), There's a calm before the storm  
I know It's been coming for some time  
When it's over so they say, It'll rain a 4 (**SHINNY / SUNNY**) day, I know  
Shining down like water

5(**I WANNA KNOW/ I WANT TO KNOW**)

Have you ever seen the rain  
I want to know  
Have you ever seen the rain  
Coming down on a sunny day

Hi, hi we're your 6 (**CLIMATE / WEATHER / FORECAST**) girls- Ah-huh  
And have we got 7 (**REPORTS/ NEWS**) for you- You better listen  
Get ready, all you lonely girls  
And leave those umbrellas at home - Alright

8(**WET / HUMIDITY**) is rising (uh rising),  barometer's getting low (how low girl?)  
According to all sources (what sources now?), the street's the place to 9( **COME / GO / FLOW**) (we better hurry up)

'Cause tonight for the 10 ( **LAST / FIRST** )time (... time)  
Just about half-past 11 (**TEN / TWELVE** ) (half past T..)  
For the ... time in history- It's gonna start raining men (start raining men)

It's raining men, hallelujah, it's raining men, amen  
I'm gonna go out to run and let myself get  
Absolutely 12 (**SOAKED / SOAKING**) wet

All I can say is that my life is pretty plain  
I like watching the 13 (**POODLES – PUDDLES**) gather rain  
And all I can do

Is just 14 (**ROAR -POOR- POUR**) some tea for two  
And speak my point of view  
But it's not sane - It's not sane

When I look into your eyes- I can see a love restrained  
But darlin' when I15 (**HUGH / HOLD/ FOLD**) you  
Don't you know I feel the same?- Nothin' lasts forever  
And we both know hearts can change  
And it's hard to hold a 16( **CRADDLE/ BANDAL/ CANDLE**)  
In the cold November rain

(\* metaphor to express how **difficult** it is to cope with unrequited love)

Somewhere over the rainbow  
17(**SAY/ WAY / CLAY**) up high  
And the dreams that you dream of  
Once in a lullaby, oh

Somewhere over the rainbow  
Bluebirds 18 (**CRY / FLY / BLIGH**) And the dreams that you dream of  
Dreams really do come true-oooh-oooh  
Someday I'll wish 19 (**UP / ON / UPON**) a star  
Wake up where the clouds are far behind me  
Where trouble 20 (**MELTS/ FELT / YELLS**) like lemon drops  
High above the chimney tops that's where  
You'll find me, oh
