

You will hear a man talking on the telephone about a party. Listen and complete questions 16-20. You will hear the conversation twice.

[pause]

Tony: Hello, Is that Sally?

Sally: Yes?

Tony: This is Tony Bassett. We were at Romford School together.

Sally: Oh hello, Tony! I remember you well.

Tony: There's going to be a party for the pupils in our year at Romford School.

Sally: Oh - when will it be?

Tony: Well, we started at that school on the fourth of September, but the party has to be on the seventh - almost exactly ten years later.

Sally: That's a Saturday, isn't it? I know our first day at school was a Tuesday.

Tony: That's right. Do you remember my sister, Margaret? It's at her house.

Sally: Oh yes . . . she got married, didn't she?

Tony: Yes. She's Margaret Jaggard now.

Sally: Is that J A double G A R D ?

Tony: That's right. She lives in Park Road at number eleven, near the park entrance.

Sally: That'll be easy to find. Can I bring something to eat or drink?

Tony: There will be enough food, but everybody's going to bring some photos - we'll enjoy looking at them.

Sally: I'll put the date in my diary. [pause]
