### Future time clauses and conditionals

**a** Underline the correct words to complete the conversation.

**MARIO** Hi, Silvia. Are you coming camping with us?

**SILVIA** <sup>1</sup>If / When you still want me to, sure.

**MARIO** Great. It should be good fun <sup>2</sup>if / unless the weather gets bad.

**SILVIA** <sup>3</sup>As long as / If we get a couple of days of decent weather, I don't mind. What do I need to take?

**MARIO** The usual stuff. <sup>4</sup>When / If I get home, I'll text you the list I've made just in case. You don't need to worry about food though. I've packed enough <sup>5</sup>in case / provided you like pasta. That's the easiest thing to make.

**SILVIA** Fine. <sup>6</sup>If / In case we run out of pasta, I'll take some tins and rice.

**MARIO** Good idea. <sup>7</sup>If / Provided you want, bring some cards. We could play at night.

**SILVIA** I'll do that <sup>8</sup>when / provided I don't forget. Text me tomorrow <sup>9</sup>as long as / as soon as you get up.

**MARIO** OK. Remember to buy pepper spray because we might see bears.

**SILVIA** <sup>10</sup>If / Unless I see a bear, I'll run all the way home!
