Read

A **Read the story quickly. Answer the question.**

What animals does the cat see?

_____

Unusual Friends

The Smiths have a big cat, Molly. Molly is loud and playful, but always friendly and gentle. One cold day Molly sees two small, quiet rabbits in the yard. They're cold and alone.

Think

How is Molly different from the rabbits?

Molly carries the rabbits to the door and meows. They're scared. The Smiths come out. They make a big and warm cage for the rabbits to sleep in. The rabbits are happy. They're gentle, and Molly likes them.

Think

How is Molly the same as the rabbits?

Sometimes they play with Molly in the yard, and they never fight.
