**PART II: Respond to the questions.**

\_\_\_/12pts

9. What is your impression so far of Jonas's community?

10. How would you feel if your parents had a feelings ritual? That is, every evening you would share your feelings or concerns with your family members.

11. If some older people in your community were to observe you, what job do you think they'd give you and why?

12. To what extent is it recommendable that the Elders choose the job you will perform your whole life?

13. In your family or community, how is a child's coming into a family different than the way it is described in Jonas's community?

14. Why do you think community wants to have under control people's stirrings?
