

**Répète à haute voix les phrases suivantes :**

Next year I'll go to Spain for a whole year.

I'm going to take Spanish lessons in order to be able to talk to people !

I'll probably eat a lot of spicy food and travel everywhere in the country.

I'm going to sell my car in a few months because I won't need it there.

I don't care what happens, I'm leaving no matter what !
