Jocelyn Enriquez - Stay with Me

Never, never have I **felt / dealt** like this before

Forever, I just **dream / want** to be forever yours

So, take me in your **arms / heart** and say you love me

Hold me close and never let go

CHORUS

Baby, please **say / stay** with me

Your love is **naturally / heavenly**

Won't you please **say / state** it's me

Have you love forever

Baby, please stay with me

Touch / Hold me so tenderly

Won't you please **say / stay** we'll be

Be in love **together / forever**

____ So, pull me close and wrap your arms around me

____ Lately, seems like you are always on my mind

____ Love me with all your heart and soul

____ And maybe I want you to be forever mine

CHORUS

Baby, please **say / stay** with me

Your love is **naturally / heavenly**

Won't you please **say / state** it's me

Have you love forever

Baby, please stay with me

Touch / Hold me so tenderly

Won't you please **say / stay** we'll be

Be in love **together / forever**

Every night I **see / feel** you in my dreams

Only when I'm with you **can / do** I feel complete

You're the only **one / person** who can fulfill my needs

Baby, please stay
