LONDON

London is the capital of Great Britain. It is one of the greatest cities in the world. It is an important business and financial centre. Everywhere in London, there are open spaces: Hyde Park and Regent Park are the largest.

The City is the oldest part of London. It is the main business centre of Britain. It contains the most expensive hotels and restaurants. We find the most fashionable shops there. There are many place of interest such as Big Ben in the clock Tower, Buckingham palace (the Queen's house), museums, galleries and the University of London.

The most famous historic building in London is the Tower of London. The main attraction is the Crown Jewels.

The second largest Christian Church in the world after St Peter's in Rome is St Paul's Cathedral. Its dome is 120 m high. The tallest building in the capital and in Britain is The Post Office Tower. It is 187 m high.

The most important gallery in London is The National Gallery. It contains a rich collection of famous painting.

One of the greatest libraries in the world is the British Museum. It contains rare books and fabulous collections, old drawing, prints...There are Egyptian, Greek and Roman antiquities. There you can see the Parthenon marbles and the famous Rosetta Stone.

Finally if you want to know the time or the way to the station, ask a bobby or the London bobby. You will never forget his humour and patient. Bobbies are the friendliest policemen in the world.
