Dialogue

Complete the following dialogue by using the comparisons in the box and the adjectives in parentheses.

almost as...as/ just as many...as/ as many...as/ not as...as

A. How did you like the house on Main Street?

B. Well, it's_____ the apartment on Saint Street. (convenient)

A. You're right. The house is less convenient.

B. Yes. And the apartment doesn't have_____the house. (rooms)

A. Yes, the house is more spacious.

B. The paintwork in the apartment is_____the paintwork in the house. (shabby)

A. I know, but you can change the paintwork in the house if you want.

B. Hmm, the rent on the apartment is_____ the rent on the house, but the house is much bigger. (expensive)

Can you recommend me something else?
