Part 2

Questions 6–10

The young people below all want to do an art course during their school holidays.
On the opposite page there are descriptions of eight short art courses.
Decide which course would be the most suitable for the following people.
For questions **6–10**, mark the correct letter **(A–H)** on your answer sheet.

6

Alice wants a course to help her with her drawing skills, particularly with drawing the latest styles of clothes, shoes and bags, because she wants to study this later at college.

7

Darius loves making comic books, but isn't confident about his drawing. He wants to draw superheroes and animals and create adventures about them, but doesn't want to display his work.

8

Cassie enjoys making pictures and objects from different materials. During the course she'd like to use her love of sport in her designs, and visit an exhibition to get new ideas.

9

Marc is talented at drawing, but also likes filming his friends on an old digital camera. He wants to develop this skill by learning to use more advanced equipment, and prepare for further study.

10

Harry has done a course about printing on paper, and would like to learn how to print on other materials. He also wants to produce something to take home and wear.

Short Art Courses

A **Wild Art** This course concentrates on teaching drawing and painting, and you'll use your new skills to make a wall poster on the theme of animals, to take home. And we've got lots of picture books from galleries around the world to give you ideas! There'll be an exhibition of everyone's work at the end, too.

B **Colourscape** Come and make a bag to keep your school games clothes in! We supply lots of colourful wool and printed cotton – you choose the design and colour (like your favourite football or hockey team colours!). There'll also be a trip to a gallery to help you get creative in your designs.

C **Create!** This course is all about telling good stories in pictures. There'll be cartoon films to watch, and instruction in how to draw your favourite characters – but your imagination is much more important than your drawing skills here! The course includes a visit to a cartoon museum.

D **Art Attack** You'll work on developing creative skills, like printing, photography, cartoons and movie-making, using the latest technology. This course is great for anyone wanting to take these subjects at college. Good drawing skills are helpful on this course, and students' work will be put into a book, where suitable, for everyone to buy.

E **Art Matters** This course will concentrate on different drawing techniques, including using inks and colour. We'll get you to draw live models wearing designer fashions and sportswear – so if you like designing fashion and think your future is in this area, then this course is for you!

F **Art Magic** This fun course shows you how to design and make fashion jewellery from natural materials, and particularly how to use photography to help you get ideas for your designs. So if you have your own camera, bring it along!

G **Arts Centre** Ever wondered what your comic stories would look like on film? Here's your chance to find out! Bring along your own comic drawings or prints - good-quality ones if possible - and we'll transfer the action from your page onto the screen! Film show of the best cartoons at the end!

H **Rainbow** Bring along a clean white T-shirt for this fun course! Using printing inks and paints, we'll show you how to transfer a picture onto your T-shirt and create a special artwork that you can put on for everyone to admire!

Three teenagers talk about their holiday

Andrew

Today our teacher asked us where we are going on holiday and what we are taking with us. I'm going to the beach with both my parents. I don't need my passport. It will be very hot, so I am taking my swimming costume and a big towel but not an umbrella. I like my blue towel, it's my favourite colour. My friend told me to take my camera because you can sometimes see dolphins. I will also take my sweater as it sometimes gets cold at night.

Peter

My teacher asked me about my holiday. I'm going to a house in the mountains with my uncle and aunt. It will be very cold all the time, so I will take my favourite blue scarf and gloves. My aunt said there will be a lot of snow. We are going there because my uncle likes snowboarding. I am excited because I will go on a helicopter again. We are going to the top of the mountain. I must take my trainers and a good hat!

Ben

I told our teacher that I'm going on holiday to the forests in Germany with my father and my brother. This will be the first time I go on an airplane. We will go to the airport two hours before the flight. My mum says it rains a lot in the area we are going to. So, I'll take my blue raincoat which has a picture of a dolphin on it and possibly an umbrella. I will also take my yellow boots and, of course, my passport.
