

Continue the Number Pattern

I can use an addition or subtraction rule to complete a number pattern. (ACMNA060)

Use the rule to help you complete the number patterns.

1. Rule = +4

10, 14, 18, 22, _____, _____, _____ .

5. Rule = -5

45, 40, 35, 30, _____, _____, _____ .

2. Rule = +6

16, 22, 28, 34, _____, _____, _____ .

6. Rule = -10

98, 88, 78, 68, _____, _____, _____ .

3. Rule = +2

18, _____, 22, 24, _____, 28, _____ .

7. Rule = -3

19, 16, _____, 10, _____, _____, 1.

4. Rule = +10

100, 110, 120, 130, _____, _____, _____ .

Can you create your own number pattern? Show me!

Don't forget to write down the rule!
