Many people love elephants. They think that they bring good luck. There are two types of elephants. The African elephant lives on the continent of Africa and the Indian elephant lives in Asia. Elephants eat plants rather than meat. They are very intelligent and can communicate. They are also very skilled with tools and can be trained for all sorts of tasks.

**C.** \_\_\_\_\_

You can see scientific, technological, and mathematical achievements in the London Science Museum. It might sound too serious or even boring. In fact, a trip to the Science Museum is not boring at all. There are a lot of interactive exhibits, flight simulators and an IMAX cinema to make science exciting. There is even a milkshake bar. This is a science lesson you will never forget.

**D.** \_\_\_\_\_

If you are fond of animals, you should watch a new story about a dog and a young country boy. The boy was walking in the field near his village and found a dog, which lived in the wild. They became good friends and had many adventures. The story takes place in a wonderful location. You will definitely enjoy a colourful movie and beautiful music.

**E.** \_\_\_\_\_

Getting good grades for the test can be quite difficult sometimes. You should plan your time to study the material. You need to find a comfortable place where you can concentrate on learning. You should study the questions and learn the most important numbers and dates. It is also a good idea to find a person who will check your answers.
