

I love mountains. I much prefer them \_\_\_\_\_ kind of natural feature. They are much better than the sea, beaches, deserts, etc. Mountains are so cool. They \_\_\_\_\_ into the sky. I can't stop looking at mountains, \_\_\_\_\_ in the world. I also love being in the mountains. The landscape \_\_\_\_\_. You \_\_\_\_\_ God's wonderful creation when you are surrounded by mountains. There are so many things \_\_\_\_\_ mountains. Some people like climbing them or jumping off them with a parachute. \_\_\_\_\_. I just like going for a walk and having a picnic. There's nothing better than sitting down and admiring the mountain view and feeling the \_\_\_\_\_. This is paradise.

I love mountains. I much errefp them to every other kind of natural feature. They are much better than the sea, beaches, teerssd, etc. Mountains are so cool. They rise up so high into the sky. I can't stop iglnoko at mountains, wherever I am in the world. I also love being in the mountains. The alesdancp is just spectacular. You really feel part of God's wonderful aiotnrec when you are surrounded by mountains. There are so many things you can do in the mountains. Some people like gibmlnic them or pgjnium off them with a parachute. This is not for me. I just like going for a walk and having a picnic. There's nothing better than sitting down and gaimirdn the mountain view and feeling the cool mountain eezebr. This is riadpsea.

I love mountains. I prefer to other much them every kind of natural feature. the They much than sea are better, beaches, deserts, etc. Mountains are so cool. They rise up so high into the sky. stop can't I mountains at looking, wherever I am in the world. I also love being in the mountains. landscape spectacular is The just. You really feel part of God's wonderful creation when you are surrounded by mountains. you things many so are There can do in the mountains. Some people like climbing them or jumping off them with a parachute. This is not for me. going like just I and walk a for having a picnic. There's nothing and down sitting than better admiring the mountain view the feeling and breeze mountain cool. This is paradise.
