

The weather

It's the weekend and Jim has no homework to do. It's time to wake up and check the weather for the week. There's a storm today. It will not last long. There will be a storm and it will rain on Saturday. On Sunday, the temperature will drop and there will be snow. What about Monday, Tuesday, Wednesday, Thursday and Friday? Will it be cloudy, fair or wet? Jim has clothes for every kind of weather. Monkey is already dressed up to go outside.
