

The nights

By avicii

Once upon a year
When all our disappeared
The inside came out to play
Went face to face with all our
Learned our lessons through the tears
Made memories we knew would fade

One day, my father, he told me
"Son, don't let it slip"
He took me in his , I heard him say
"When you get
Your wild will live for younger days
Think of me if ever you're "
He said, "One day, **you'll leave this world behind**
So live a you will remember"
My father told me when I was just a
"These are the that never die"
My father told me

"When start pouring down
Light a they can't put out
Carve your name into those stars"
He said, "Go far beyond the shores
Don't this life of yours
I'll guide you no matter where you are"

One day, **my father, he told me**
"Son, don't let it slip away"
When I was just a kid, I heard him say
"When you get older
Your wild heart will live for younger days
Think of me if ever you're afraid"

He said, "One day, you'll leave this world
behind
So live a life you will remember"
My father told me when I was just a child
"These are the nights that never die"
My father told me
"These are the nights that never die"
My father told me
My father told me
