Use the adjectives given to complete the text.

helpful beautiful friendly and kind

wide and clean crowded and busy

modern inconvenient

I live in a _____ town in Hai Phong city. There are many good things about living in my neighborhood. It has _____ parks, lakes, stadiums. And there are many shops, restaurants, café and markets. The streets are _____. There are many buildings and offices but it's not very _____. There are many public transportations in here: bus, train, taxi, etc. The people here are very _____. They greet each other whenever they meet on the streets. They are also _____. However, there is one thing I don't like about this town. It's quite _____ because if you want to hear some live music or watch a movie at the cinema, you have to catch a bus to the city centre. Despite that, I still love living here. I love my neighborhood very much.
