"It was like a ghost!"

"I saw its eyes, shining white eyes. And it dove down underground!"

There are strange things going on all over the city. The people behind this are not like you and me. There's a hidden society, it goes back centuries.

Yesterday a wizard entered New York with a case. A case full of magical creatures and unfortunately, some have escaped.

Teeny, you brought men home?

That's Mr Scamander, he's lost something, I'm going to help him find.

We're going to recapture my creatures before they get hurt. They are currently in alien terrain, surrounded by millions of the most vicious creatures on the planet: humans.

Magical beasts are terrorizing no mages and when no mages are afraid they attack.

Contain this or it will mean war.

Put this on!

Put? Why would I have to wear something like this?

Because your skull is susceptible to breakage under immense force.

Don't panic, there's absolutely nothing to worry about!

I wanna be a wizard.
