I usually do my homework in the library . We wear our uniforms every day, but today we aren't . We're going to have a biology lesson on a farm .

**5.** *WB/D/READING/Ex1*

In England, when the schoolchildren come to school, they first go to the cloakroom . They take off their coats and raincoats, their caps and hats, and then go to their classroom . Some of the students go to the laboratories and workshops where they learn physics, chemistry and art . When a student is on duty, he comes to school very early . He has to open all the windows, water the flowers and clean the blackboard so everything is ready for the first lesson . At seven thirty the teacher comes into the room and the lesson begins .
