

# EMOTIONS

Do you ever think about your [red box] ? What kinds of things make you [red box] ? I get sad when I get a bad [red box] in school, or when someone that I like [red box] away. I sometimes see sad movies that make me cry. I don't like to be sad. I like to be [red box]

I am happy most of the time. [red box] make me happy. Being with my friends makes me happy. If someone tells me a joke, I [red box] . I enjoy laughing. Funny [red box] make me laugh. I think that people look the best when they smile.

Sometimes I even smile when I am feeling sad, and the smile makes me feel a [red box] better.
