

Skill Development

Read the text below then answer questions.

My classmate Alberto

My classmate's name is Alberto, he is from Spain. He likes to play videogames, we usually play video games together at night. He gets up late, because he lives near our school. We usually eat together in school, we like to share our food. We are good friends, I know I can share with Alberto and he will listen.

1. How many sentences do we have?
2. Which is talking about the feelings of the writer about Alberto?
3. Which sentence is giving information about Alberto?
4. Which is talking about Alberto's routine?
5. Are the sentences capitalized ? (start with CAPITAL letters?)
6. Do all the sentences finish with a period? (a period[.]?)

Skill Development

Write a paragraph about your friend. follow the next structure.

My classmate's name is Alberto, he is from Spain. He likes to play videogames, we usually play video games together at night. He gets up late, because he lives near our school. We usually eat together in school, we like to share our food. We are good friends, I know I can share with Alberto and he will listen.

The name and information about the classmate.
