

Aim: To use a range of mathematical skills when organising a holiday

Questions to consider	Answers	Costs
Where will your holiday be?		
Do you need to apply for Visas or get vaccinations?		
What are the ages of the people in the group?		
Which airport will you go from?		
How will you get to the airport and how much will that cost?		
What is the cost of the flight? (do you need to pay more for more baggage?)		
How much will the holiday cost? (state if it is per person or for the group)		
What does it include? (food/drink/transfers from the airport?)		
Do you all have passports? If not, how much does a passport cost?		
How much spending money will you need?		
Anything else to consider?		
	Total	£

Things to consider:
 The times of the flights can affect the cost
 Dates can affect costs
 Are you getting the best value for your money?
