Skyscraper Window Cleaning

Keeping your windows clean is important, not only so the appearance of your property is nice, but also because unclean windows (56)_____ the amount of light entering the building and this can have an effect on your health and well-being. Most cities have glass skyscrapers, extremely tall office buildings, with windows from top to bottom. Climbing up a ladder and cleaning the windows of an average house is difficult, but being (57)_____ the top of a 200-metre building to wash its windows is especially dangerous! It is for this exact reason that specialist window cleaners exist to do the job (58)_____ else would do.

The job of a skyscraper window cleaner is actually similar to rock climbing; therefore, it (59)_____ special skills and the need for excellent physical fitness. (60)_____ these buildings rise to extreme heights, professional climbing equipment is (61)_____ at all times so that it is as safe as possible.

(62)_____, the job is not suitable for everyone. People who have even the smallest (63)_____ of heights should definitely not apply. In fact, you have to be a strong-minded type of person, since it is listed as one of the most dangerous jobs in the world. The good news is, for this reason, these window cleaners can earn good money and there are (64)_____ of cleaning jobs available. Of course, the biggest advantage is the views; from such heights it is possible to see for miles, admire the city (65)_____ below and breathe in the fresh air. For some, it is their dream job.
