I thought it'd feel different playing Wembley
Eighty thousand singing with me
It's what I've been chasing 'cause this is the dream

When it was all over, I cleared out the room
Grabbed a couple beers, just me and you
Then we start talking the way that we do

Ain't it funny how the simplest things in life can make a man?
Little moments that pass us by
Oh, but I remember

The _____, the _____, the _____
The _____, red wine, on a step in Brooklyn
I still feel the _____, and we both made it out alive
And I can't wait to make a million more _____
(Mm-hmm, mm-hmm)

The greatest thing that I have achieved
Is four little words, down on one knee
Said, "Darling, are you joking?"
And I just said, "Please"

Ain't it funny how the simplest things in life can make a man?
Little moments that pass us by
Oh, but I remember

The _____, the _____, the _____
The _____ in your eyes when I said, "I love you"
I can still feel the butterflies from when we stumbled home that night
I can't wait to make a million more _____
(Mm-hmm, mm-hmm)

Ain't it funny how the simplest things in life can make a man?
Little moments that pass us by
Oh, but I remember

_____, _____, _____
_____, moonlight, in your parents' garden
I can't wait to see everything that's yet to be
Our _____, and then a million more _____
