

lkpd (lembar kerja peserta didik)
matematika kelas 1

nama lengkap :

tanggal :

menguraikan dan menyusun bilangan

Ayo kita isi ☐ dengan suatu bilangan.

6

7

8

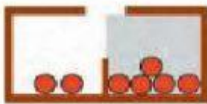

Aku punya 8.

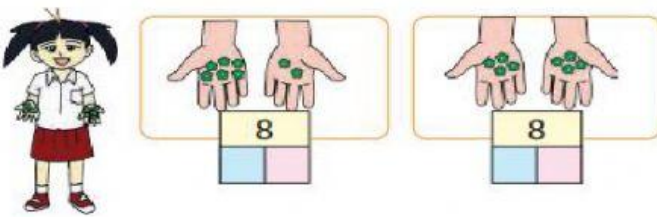

9

Isilah dengan angka seperti contoh diatas, kemudian salin dibuku tulis matematika.

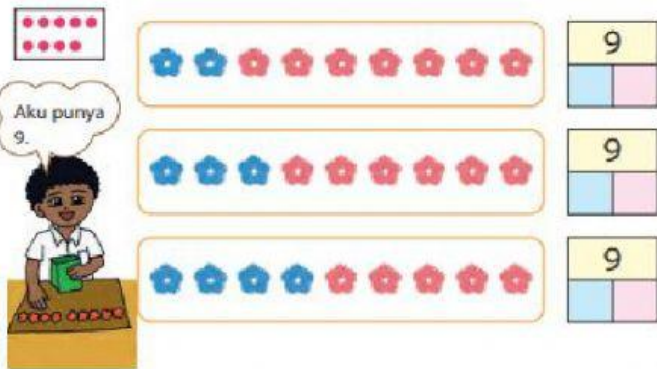

- 
- 

3.

Two hands are shown, each holding 4 green dots. Below each hand is a ten-frame with the number 8 in the top half, indicating that 8 dots are being counted.

4.

A boy is shown counting items. A speech bubble says "Aku punya 9." (I have 9). Above him is a ten-frame with the number 9 in the top half. To the right, there are three rows of items (blue and red flowers) and three ten-frames, each with the number 9 in the top half.
