TALKING POINT

Speed networking

Contact25 organizes business-to-business speed networking events. At these events, participants have a series of mini-meetings with new contacts. The idea is that within a few minutes of talking to someone, they will know whether it is possible to do business with them. This makes it a very efficient form of business networking. Each meeting lasts five minutes.

You have:

- two minutes to talk about yourself, your company or organization
- two minutes to listen to your partner describe their company or organization
- 30 seconds to score your partner, and note future action
- 30 seconds to move to the next meeting

Contact25 estimates that each participant creates around €5,000 worth of new business at each event.

Discussion

- 1 What are the advantages of speed networking? Can you think of any disadvantages?
- 2 Would speed networking be useful in your job/company? Why/Why not?

Task

- 1 You are going to attend a speed networking event with Contact25. You can be yourself or you can choose a person from the role cards on page 136. Prepare what you are going to say about:
 - yourself and what you do
 - the company or organization you represent
 - why you are at this event
- 2 Follow the rules of speed networking. Meet and talk to one person (two minutes for you to talk and two minutes for them to talk). Then give that person points out of three using the scorecard below and write your reasons.
1 point = I have no reason to contact this person again.
2 points = I might contact this person again but I need more information.
3 points = I definitely want to contact this person again.

	Person 1	Person 2	Person 3
Name and company			
Points (1, 2 or 3?)			
Reason			

- 3 Next, meet and network with another person for four minutes and score them. Then network with a third person and complete the scorecard.
- 4 Tell the class about your most useful contact and give your reasons.
