

EXERCISE 3

In this example of an IELTS Listening sentence completion task, you will listen to two students talking about the topic of finance in preparation for a lecture.

Write one word to complete each sentence.

The instructions for the IELTS Listening sentence completion task and short-answer questions are similar.

Read the instructions carefully to find out exactly how many words you have to write and make sure that you spell each word correctly.

1. Greg and Penny agree to do some background reading on the history of _____.
2. Greg says that before money, _____ was very common.
3. Greg says that in the past, bronze was probably used to make _____.
4. The book Greg and Penny should read is called 'The _____ World'.
