

A photograph of a dolphin leaping from the water, captured in mid-air. The dolphin is grey and sleek, with its body curved as it moves. The water is a vibrant turquoise color, and the sky is a pale, clear blue. The image is framed by a white border with rounded corners.

A large shark, possibly a Great White, is shown swimming in clear blue water. The shark is positioned horizontally, facing right, with its head slightly angled towards the viewer. Its body is greyish-blue on top and lighter on the bottom. The background is a solid blue color, representing the water.
