F In pairs, act out the dialogue.

Student A

You are a member of the local government. One day members of an environmental group visit your office to ask you to give permission for a peaceful protest against building a motorway near a nature reserve. Try to discourage them, giving reasons for your disapproval of this idea.

Student B

You are a member of an environmental group that wants to campaign against building a motorway near a nature reserve. You visit the office of a member of the local government to ask for permission to organise a peaceful protest. Give reasons why the motorway mustn't be built. Use your imagination!
