

My day

I am Ann, I am 12 years old and a pupil. In the morning I wake up a little before 7 a.m. I get up 5 minutes later and go to the bathroom first. I wash my face. Then I shower, first very warm and at the end with cold water. Brushing my teeth is also a must, then I get dressed.

I never skip breakfast, I'm hungry in the morning. Most of the time I eat cereals or toast with jam. I drink tea or coffee. Before I go to school, I have to make my bed. Then I run off to my school bus. After school, I have lunch at the canteen and come home in the afternoon. Then I usually have to do homework. I have time to play or meet friends before dinner. Then we have dinner together. I watch a little TV. before I go to bed, Then I go to sleep and sleep from 10 p.m. to 7 a.m.
